PARENT INVOLVEMENT

Students whose parents show an active and supportive interest in their daily schoolwork are more likely to achieve success at school. Parents are expected to cooperate with the school in the areas of academic progress. Parents should encourage children to take responsibility for completing their homework. Parents are encouraged to confer with the teacher on any subject concerning the child. The responsibility for basic behavior development rightfully belongs with the individual and the parents working cooperatively with the school.

Specific suggestions to improve student success include:

1. Parents should meet with teachers when necessary.
2. Parents need to provide a quiet place to study and proper time to study at home.

3. Parents must take an active interest in the academic program and the progress of their child.
4. Parents need to work with the child to develop a systematic approach to successful completion of homework assignments.
5. Parents should try to attend parent events.
6. Parents should support school rules and regulations.
7. Parents should provide instruction in citizenship, patriotism, respect for authority, honesty, integrity, courtesy, regard for the right of others, and personal responsibility.
8. Parents need to monitor their child's leisure time activities which will have an impact on his/her academic success. This includes limiting the amount of time the child spends isolated in the house, immersed in cyberspace. If your Internet service provider has a parental control option, enable it.

Dear Parents and Students:

Welcome to Merrillville Intermediate School. There is no doubt that one of the greatest challenges facing MIS school staff each day is promoting a wholesome and supportive learning atmosphere throughout the school. Managing an educational program means promoting effective discipline that requires a comprehensive program supported by everyone. We believe that a well-disciplined school guarantees a safe environment for all in a friendly and cooperative atmosphere. The same set of rules is applied to everyone. The intent of this handbook is to provide parents, staff, and students with a definition of the limits of acceptable behavior. This information will assist everyone in administering discipline within the guidelines of Merrillville policies related to student behavior. I hope you will take time to review this handbook together with your child.

All of us wish your child success while he/she attends MIS and pledge our cooperation in working towards common educational goals.

MERRILLVILLE INTERMEDIATE SCHOOL

BEHAVIORAL EXPECTATIONS

DISCIPLINE POLICIES

Introduction

As teachers and students are brought together so that learning may take place in Merrillville classrooms, an environment must be created which permits an orderly and efficient operation of the schools. This environment, most of all, comes through consideration of others and self-discipline so that individuals do not allow themselves to infringe upon the rights of others as they seek an expression for their own just and legal privileges as members of the school and society.

The responsibility for development and maintenance of this self-discipline falls to a combined effort of students, parents, teachers, administrators, and to our community, which established the value system we accept. When self-discipline fails, however, regulations for management of school behavior must be outlined by those responsible for the operation of the schools. The Board of School Trustees of the Merrillville Community School Corporation has this legal responsibility for the school in which Merrillville students are enrolled.

The Board, in turn, has adopted the following policies and has appointed administrative officers to carry them out. Authority for such Board responsibility is included in the School Powers Act and Student Due Process Code of the Indiana General Assembly.

Delegation of Authority

In carrying out the school purposes of the School Corporation, the following grants of authority are hereby made:

1. Each teacher and any of the other school personnel shall, when pupils are under his charge, have the right to take any action which is then reasonably necessary to carry out, or to prevent an interference with, the educational function of which he is then in charge. Teachers and other school personnel may not suspend students from school, and

removal of a student from any educational function within the supervision of a teacher or any of the other school personnel may not extend for a period of more than one (1) day unless the removal is treated as a suspension under IC 20-33-8-18.

2. Each principal (or designee) may take any action concerning his school or any school activity within his jurisdiction, which is reasonably necessary to carry out or prevent interference with an educational function or school purposes. Such action may include establishing written rules and standards to govern student conduct. Similarly, the Superintendent, or his administrative staff with his approval, may take any action with respect to all schools within the Superintendent's jurisdiction which is reasonably necessary to carry out or prevent interference with an educational function or school purposes.

MAJOR AND MINOR

The purpose of the Discipline Policy of our school is to ensure a safe and secure environment for members of the school community.

There are times when it is necessary for school officials to make a decision concerning the acceptability of a student's behavior in school. These decisions are based on the welfare of the total school community and how this behavior problem will affect the learning environment.

MINOR VIOLATIONS

Minor violations are normally handled by the classroom teacher, but may also result in an office referral. Students can receive as punishment any of the following: verbal reprimand, lunch detention, after-school detention, Friday School detention, in-school suspension, out-of-school suspension or denial of extra privileges. Repeated offenses of minor violations can result in a 2-10 days of Friday School detention, In-School Suspension or Out-of-School suspension; however, this will be at the discretion of the administration. This, by no means, represents the only steps that can be taken.

Any student who has been suspended for any major violation(s) or referred for repeated minor violations may be excluded from field trips and/or other school events.

MAJOR VIOLATIONS

IT WILL BE RECOMMENDED THAT A STUDENT BE EXPELLED WHEN HE/SHE HAS BEEN ASSIGNED A COMBINATION OF 12 IN-SCHOOL/OUT-OF-SCHOOL SUSPENSIONS.

Grounds for suspension or expulsion are student misconduct or substantial disobedience. The following include examples of student misconduct or substantial disobedience, but are not limited to:

1. Engaging in conduct that disrupts or interferes with school purposes or an educational function, including but not limited to: the use of violence, force, noise, coercion, threat, intimidation, fear, passive resistance, engaging in sexual behavior on school property, disobedience of administrative authority, engaging in speech or conduct (including clothing, jewelry or hair style) which is profane, indecent, lewd, vulgar or offensive to school purposes, failing to tell the truth about any matter under investigation by school personnel, possessing or using a laser pointer or similar device, or other comparable conduct, or urging others to engage in such conduct.

Knowingly using or taking a prescription drug that is not prescribed for that person or that exceeds the recommended dosage for the person to which it is prescribed or a patent drug by exceeding recommended dosage with the purpose of creating an intoxicated or irrational state or of causing physical injury, either to one self or to other persons. Knowingly transmitting or selling such prescription or patent drugs to aid a person violates this paragraph.

Any violation of the above rule will result in a recommendation by the school administration that the student be expelled.

The written authorization must be filed annually and must include the following information:

Examples of things which are not to be possessed or provided to another person are: pipes, rolling papers, clips, stones and any other devices believed to be, by school authorities, used for the storage, processing, delivery or consumption of the above mentioned drugs.

Any student who is unsure if possession, use or providing another per-

son with any particular medicine, substance or paraphernalia would violate the above rule should contact the building principal or his designee before possessing, using or providing the medication, substance or paraphernalia.

21. A person knowingly or intentionally delivers any substance that he represents to be controlled substance commits "dealing in a substance represented to be a controlled substance."
22. Creating a disturbance by displaying or using a substance represented to be a controlled substance.

This includes any unlawful activity meeting the above criteria which takes place during weekends, holidays, other school breaks, and the summer period when a student may not be attending classes or other school functions.
- IV. It will be recommended that a student be expelled when a student's legal settlement is not in the attendance area of the Merrillville Community School Corporation.

UNLAWFUL ACTIVITY

A student may be suspended or expelled for engaging in unlawful activity on or off school grounds if the unlawful activity may reasonably be considered to be an interference with school purposes or an educational function, or the student's removal is necessary to restore order or protect persons on school property. This includes any unlawful activity meeting the above criteria that takes place during weekends, holidays, other school breaks, and the summer period when a student may not be attending classes or other school functions.

Short-Term Suspension

Any principal (or designee) may suspend for a period of no more than ten (10) school days. This suspension may deny a student the right to attend school or to take part in any school function until midnight of the last day of suspension. A student may be suspended on the following grounds:

1. Conduct constituting grounds for expulsion as set out above.

2. Other violation of rules and standards of behavior, the Board approves or received. Such suspensions shall be made only after the principal (or designee) has made an investigation thereof and has determined that such suspension is necessary to help any student, to further school purposes, or to prevent an interference therewith. No suspension may be made without affording the student an opportunity for an informal meeting. At the informal meeting the student is entitled to:
 - a. a written or oral statement of the charges against him;
 - b. and, if he denies the charges, a summary of the evidence against him; and
 - c. the student will be provided an opportunity to explain his conduct.
3. The meeting shall precede suspension of the student except where the nature of the misconduct requires immediate removal. In such situations, the meeting will follow the suspension as soon as reasonably possible following the date of the suspension.
4. Following the suspension, the parent or guardian of a suspended student will be notified in writing. The notification will include the dates of the suspension, describe the student's misconduct, and the action taken by the principal (or designee).

Expulsion Procedures

When a principal (or designee) recommends to the superintendent (or designee) that a student be expelled from school, the following procedures will be followed:

1. The superintendent (or designee) may conduct an expulsion meeting, or may appoint one of the following persons to conduct the expulsion meeting:
 - a. legal counsel
 - b. a member of the administrative staff who did not expel the student during the current school year and was not involved in the events giving rise to the expulsion.
2. An expulsion will not take place until the student and the student's parent are given notice of their right to appear at an expulsion meeting.

3. The notice of the right to appear at an expulsion meeting will contain the reasons for the expulsion and the procedure for requesting an expulsion meeting.
4. At the expulsion meeting, the principal (or designee), will present evidence to support the charges against the student. The student or parent will have the opportunity to answer the charges against the student, and to present evidence to support the student's position.
5. If an expulsion meeting is held, the person conducting the expulsion meeting will make a written summary of the evidence heard at the meeting, take any action found to be appropriate, and give notice of the action taken to the student and the student's parent.

The student or parent has the right to appeal the decision of the person conducting the expulsion meeting to the school board within ten (10) days of the receipt of notice of the action taken. The student or parent appeal to the school board must be in writing. If an appeal is properly made, the board must consider the appeal unless the board votes not to hear the appeal. If the board hears the appeal, it will consider the written summary of the expulsion meeting and the arguments of both the school administration and the student and/or student's parent. The Board will then take any action deemed appropriate.

Any expulsion taking effect more than three (3) weeks prior to the beginning of the next trimester of any school year must be reviewed prior to the beginning of that trimester. Any expulsion that will remain in effect during the first trimester of the following school year must be reviewed before the beginning of the school year.

SUSPENSION AND EXPULSION OF STUDENTS WITH DISABILITIES OR SUSPECTED DISABILITIES

Students with disabilities are subject to the discipline rules adopted by the board of school trustees and, therefore, may be suspended or expelled for any violation(s) of such rules. In accordance with I.C.20-8.1-5.1 and 511 IAC 7-15, administrators may take the following discipline actions:

Suspension

A suspension is defined as a unilateral, temporary cessation of the educational or related services. A short-term removal of a student pursuant to the student's individu-

alized education program or Section 504 plan is not a suspension. Students with disabilities or suspected disabilities may be suspended up to ten (10) consecutive school days, but no more than ten (10) cumulative school days in a school year.

Before a student with disabilities or suspected disabilities can be suspended, the student must be afforded a meeting with the Principal or Assistant Principal, wherein the student is entitled to: (1) a written or oral statement of the charges against the student; (2) if the student denies the charge, a summary of the evidence against the student; and an opportunity to explain the student's conduct. This meeting shall precede the suspension of a student unless the nature of the misconduct requires immediate removal of the student.

Expulsion

An expulsion is defined as separation from school attendance or a related service for more than ten (10) consecutive school days.

Before a student with disabilities or suspected disabilities can be expelled from school, the student and the student's parent must be afforded the opportunity to attend an expulsion meeting before an appointed expulsion examiner. However, prior to any expulsion meeting, the case conference committee or Section 504 committee made up of persons knowledgeable with the student and evaluation data, must meet to review the student's behavior and determine whether the behavior is caused by, or is a manifestation of, the student's disability or suspected disability. If the committee determines there is such a causal relationship between the student's behavior and the student's disability or suspected disability, the student may not be expelled. If, however, the committee determines there is no causal relationship between the student's behavior and the student's disability or suspected disability, the parent may: (1) request the appointment of an independent hearing officer to contest the committee's determination; (2) request an expulsion meeting; or (3) waive the right to an expulsion meeting.

In the event of the expulsion of a student with disabilities, educational and related services shall not cease. The case conference committee shall determine which educational services will be provided during the expulsion period and where the services will be provided as indicated by the student's status by their Special Education or 504 plan.

LAW ENFORCEMENT NOTIFICATION PROCEDURES

1. Reporting of Threat or Intimidation Against School Employee: In compliance with Indiana law, any employee who has knowledge of a school employee being the subject of a threat or an act of intimidation shall report orally this knowledge to the building administrator and to the local law enforcement agency.

The building administrator upon receiving such a report shall also make an oral

report to the local law enforcement agency. The law provides that any person who reports a threat or an act of intimidation against a school employee, or who participates in any judicial proceeding or other proceeding resulting from such a report, is immune from any civil or criminal liability that might otherwise be imposed because of such actions, provided that the individual is acting in good faith.

2. The Superintendent, or his designee, will notify the appropriate local law enforcement agency when a student is expelled for violation of behavior rules related to firearms, destructive devices and deadly weapons.

Students serving in-school suspension will remain will be permitted to use the cafeteria to purchase a lunch or they may also bring their own lunch. Students will remain in this room throughout the day. They will be excused from the room only at special times and then under direct control of the person in charge. Each student will bring books and other study materials to the room. Assignments will be given to students by teachers. If a student is absent during the suspension or detention, the suspension or detention will continue upon returning to school. A student must be doing something constructive and cannot sleep while in detentions, Friday Schools or in-school suspensions.

When a student is assigned a full day suspension, he/she is not allowed to attend any Merrillville Community School function or be on any school property until midnight of the last day of suspension.

POLICIES AND GENERAL INFORMATION

ACADEMIC

ATTENDANCE POLICY

Student attendance throughout the year is extremely important to student achievement. Missed classroom instruction can never totally be recaptured. Research shows that students who attend school consistently are more likely to master the necessary academic skills for success. The Indiana compulsory attendance law requires every child who turns seven during the school year to attend public or non-public school up to the age of sixteen. Parents are asked to call the office to report their child's absence prior to the start of the school day. Without a parent phone call **your child will** be considered truant. The following shall be considered valid reasons for student absences:

- A. Personal illness (With Doctor's Note)
- B. Death in the immediate family
- C. Court attendance required by legal authorities
- D. Dental and medical appointments (make every effort to schedule after school)
- E. Religious holiday (verification requested)
- F. Special circumstances will be considered on a case by case basis for various family situations.

The Merrillville Community School Corporation recognizes that vacations and out-of-town trips do not always coincide with school vacations. However, we strongly recommend that you make every effort to plan your vacations around the school calendar. In order to be fair to both the school and the students involved, parents desiring to have their children absent from school for family trips must follow these procedures:

1. Parents must complete and turn into the school office a signed form (can be obtained from school office) at least one week in advance of the planned absence. (One form for each child in school.)
2. The student will be counted absent and the absence will be properly recorded.
3. The student is responsible for all work missed during the absence and shall be responsible for make-up work assigned by the teacher. (Alterna-

tive assignments may be given.) Work may be assigned before the child leaves or upon his/her return. This will be left up to the discretion of the teacher. The amount of time allowed for make-up work shall be one day for each day absent.

4. When work is made up on time, there will be no penalty on the assignment. If work is not made-up, no credit will be given which will negatively affect your child's grade.
5. Parents are urged not to remove their child/children the week prior and during standardized testing or the last two weeks of the school year. It is also important that your child is present at the start of each trimester.

Absences

1. A notification will be sent to the parents on the 3rd and 5th unexcused/nonexempt absence with a copy of the Indiana Compulsory Law and information concerning the truancy diversion program, The C.A.P.S. (Consistent Attendance Promote Success) program; a collaboration between the Merrillville Town Court and Merrillville Schools.
2. The school attendance secretary will contact the parents on the 3rd absence to address issues that are impacting consistent attendance.
3. On the 9th unexcused/nonexempt absences a referral will be sent to the Merrillville Town Truancy Court. These absences are in violation of the Indiana Compulsory Attendance Law. Failure to appear could result in a bench warrant for your arrest, as well as educational neglect charges being filed with the Lake County Prosecutor's Office and a referral made to the Lake County Child Protection Services.

Tardies

It is extremely important for students to arrive to school on time. Late arrivals to school and class hinders the child's ability to receive instruction at the beginning of the day with the rest

of the classmates. Students who arrive after the school day begins or are late to class will be considered tardy. Students should be in their class ready to learn by 8:00 am.

1. Students must first report to the office
2. A tardy slip will be issued before being admitted to class
3. After 3 tardies, a 3rd tardy letter will be sent.
4. On the 3rd tardy, the school attendance secretary or guidance counselor will contact the parent/guardian to address the tardy policy.
5. After 5 tardies, a notice will be sent home citing the record of tardies to remind parents of the importance of students arriving to school on time.
6. After 7 tardies, the student will serve a Friday School and the administration will contact the parent.
7. On the 9th tardy, a referral will be made to the Merrillville Town Truancy Court.

Truancy

A student is considered truant if:

The absence is unexcused. The state of Indiana identifies a student that has unexcused absences from school for more than ten (10) days in one (1) school year as a habitual truant. (IC 20-33-2-11)

Truancy to class

A student is considered truant from class when they are out of the class without permission for 15 minutes or more. Disciplinary action will be taken by teachers/or administrators for repeat offenders.

Perfect Attendance

Perfect attendance is perfect attendance.

If a student receives 2 tardies (up to 15 minutes late) or 1 truancy to school they will no longer be eligible for perfect attendance.

CHEATING (AND PLAGIARISM)

Cheating is defined here to mean seeking unauthorized assistance from another or providing such assistance to another so as to acquire credit for school work (homework, tests, quizzes, projects, others) in a manner deemed dishonest by those in authority. Involved students will receive a zero for assignments/assessments and the teacher will document parent contact of such offense. Any subsequent acts of cheating will carry zero credit and referral to the office for assignment to Friday School for each violation incurred thereafter.

GRADING POLICY

Assessment of effort and progress is inevitable and essential to growth. Standards of achievement set expectations toward which students can strive. Grades are symbols that indicate to a student and parent(s) how well the student has progressed towards achieving these expectations. Teachers will discuss their grading/marking system with each of their classes. In the final analysis, each teacher is deemed the best judge of a student's performance in a given subject.

Report card grades are electronically calculated based on the following percentage breakpoints (wherein a .5 is rounded up to the next whole number, such as 59.5 rounded up to 60 whose grade value is D-):

A+	100	C+	77.5
A	92.5	C	72.5
A-	89.5	C-	69.5
B+	87.5	D+	67.5
B	82.5	D	62.5
B-	79.5	D-	59.5

Plus and minus may be used. Less than 60 percent is Failure.

Academic grades will be calculated as follows:

MIS Weighted Category Breakdown

- Tests – 40%
- Quizzes – 30%
- Assignments/Projects – 20%
- Homework – 10%

HOMEWORK

Homework will be assigned on a regular basis. When homework is assigned, it will be meaningful and realistic, providing the student the opportunity for creativity. All assignments will be designed to strengthen daily work and they will be made with specific purpose and expectation. Homework aids in learning to work independently and

to improve skills taught in the classroom. Homework may be assigned over the weekends. All students will be provided with a student assignment book, which should be used as a communication tool for students, parents and teachers. Failure to complete homework on a regular basis will likely result in a lower report card grade and/or disciplinary measures based on individual team's class rules.

Abundant research indicates that effective homework policies can induce higher student achievement at all ability levels if purposes are clear and thoughtful, amounts are reasonable, and responsibilities are shared by students, parents, and teachers. The following policy has been adopted to establish homework as a continuous and systematic part of the school corporation's educational programs.

A. Purposes:

1. *Reinforce Classroom Learning:* Includes independent practice or review of knowledge and concepts introduced during the school day.
2. *Extend the Day's Lesson:* Requires the utilization of newly acquired knowledge to achieve higher levels of understanding. Such utilization often involves the mental processes of analysis, synthesis, evaluation, and application.
3. *Introduction of New Material:* Involves additional reading or searching for new information as a means of extending the acquisition of new knowledge beyond the confines of the school day.

B. Responsibilities for Homework:

1. *Students:* Students are expected to make a good faith effort to complete all assigned homework on time and to the best of their ability.
2. *Parents:* Parents are expected to provide a home environment conducive to the development of reliable and systematic study habits, and to monitor homework to ensure its completion.
3. *Teachers:* Teachers are expected to explain the purpose of homework, to make assignments that are deemed fair and reasonable when compared to homework being assigned by other teachers, to review all completed homework, and to contact parents when assigned homework is not being appropriately completed.

HONORS PROGRAM

Merrillville Intermediate School's Honors program is a differentiated extension of a quality curriculum based on Indiana Academic Standards. The selection process for placement into the Honors Program is a combination of aptitude and academics.

Students may be reevaluated and/or removed from the Honors Program if any of the following occurs:

- Not achieving a Pass or Pass+ on ISTEP+
- Falling below a 70% in Math and/or Reading/Language Arts in the Honors classroom
- Repeated disruptive behavior in class
- Repeatedly exhibiting poor work ethic
- Repeated instances of incomplete class work
- Difficulty keeping up with class work and the challenges of the class

HONOR ROLL

Students at MIS may qualify for one of three honor roll categories providing they have no grade lower than “C” and they meet one of the following criteria:

- “A” Honor Roll – student must earn all A’s
- “A-B” Honor Roll – student must earn all A’s and B’s

Honor Roll Bumper Stickers will only be given to a student one time per year.

MAKE-UP POLICY

It is the student’s responsibility to ask the teacher for missing assignments after any absence. Number of days absent plus one will be allowed for make-up work including tests. Students who are out of school due to suspension will be provided with assignments for make-up work within one day of suspension. Weekends and holidays shall be counted as make-up days. It is the teacher’s responsibility to spell out for the student exact assignments and projects, which must be made up after any absence.

If a student has been absent one day with the knowledge of a forthcoming test and returns the next day (day of test), he/she should take the test. If a student is absent two or more days, he/ she must decide either to take or not to take the test that day. If he/she decides not to take the test that day, the usual rules for make-up go into effect.

Students who are absent a number of consecutive days(three days or more) may have their parents contact the main office for make-up work, allowing 24 hours’ notice to teachers.

READ TO SUCCEED REQUIRED READING

Recognizing that the amount of time spent in recreational reading is a predictor of students' academic success, the Merrillville Community School Corporation has adopted a corporation-wide required reading program. All students are required to read and pass tests to accumulate a certain number of points. Students are required to achieve 70% or higher on the corresponding computer book quiz to receive credit for the book. The number of points received will determine the student's letter grade each trimester.

Students will take a Scholastic Reading Inventory test each year. The test consists of a series of short passages the student is required to read, and then they will complete fill-in-the-blank sentences. This test takes approximately 20-30 minutes to complete. Students then receive a Lexile score. A Lexile score is a measurement that is used to assess the student's reading ability and to help students find books at an appropriate reading level. Students will have an opportunity to take an SRI test at least three times a year.

Although students' may know their current Lexile score, they may always test on book titles based on the parameters below. Parents may also login to RDS Parent Access to see their student's latest SRI score.

PARAMETERS:

Students may test on non-fiction books or picture books 50 points below their Lexile.

Students may also test on chapter books at:

5 th – 6 th Grades	500+
--	------

**Teacher discretion may also be used to determine books for students based on the students' interests and reading level. All books found on the Young Hoosier lists may be tested upon regardless of the Lexile level.*

All book assessments must be completed no later than five days prior to the end of the trimester in order for the students to receive credit.

TESTING:

Students must accumulate 12 points per trimester. Each trimester these points will reset to 0. Books read over the summer months will count toward the first trimester. In order to attend the end of the school year field

trip, a student must accumulate a total of 36 points for the year and at least 70% in comprehension.

A student's final testing percentage of the SRI tests each trimester will be figured into their reading grade.

Students that do not complete their RSRR will not be eligible for the honor roll.

Please contact your school librarian for more information.

PARENTS RIGHT TO KNOW

Professional Qualifications of Teachers

As a parent/guardian of a Merrillville Community School Corporation student, and in accordance with the Elementary and Secondary Education Act, Section 111(h)(6), you have the right to request and receive information regarding the professional qualifications of your child's classroom teachers. This information shall include the following:

- If the teacher has met state qualification and licensing criteria for the grade level and subject areas taught.
- If the teacher is teaching under emergency or temporary status in which Indiana qualifications and licensing criteria are waived.
- The teacher's baccalaureate degree major, graduate certification, and field of discipline.
- Whether the student is provided services by paraprofessionals, and if so, their qualifications.

If at any time your student has been taught for 4 or more consecutive weeks by a teacher that is not highly qualified, you will be notified by the school of this information.

IF YOU HAVE QUESTIONS OR CONCERNS, PLEASE CONTACT YOUR CHILD'S SCHOOL PRINCIPAL.

REPORT CARDS

Report cards are available every trimester (12 weeks) through Parent Access on Skyward. Students may receive an incomplete grade for a course if there has been an extended illness or for incomplete projects.

RETENTION/ASSIGNMENT

All fifth and sixth grade students will take four (4) academic subjects, language arts, math, science, and social studies. Student grades, test scores, and performance will be the determining factors for retention. Failure of Math and English/Language Arts for two trimesters will be grounds for retention for the next school year.

Parents are responsible for monitoring student progress on mid-term reports and report cards. In addition, parents may electronically access grades on RDS. Teachers will notify parents at the beginning of the third trimester to discuss possible summer school options or recommendation for retention. **THE FINAL DECISION FOR RETENTION OR ASSIGNMENT IS DETERMINED BY SCHOOL BOARD POLICY.**

SCHEDULE CHANGES

Students are required to remain in classes to which they are assigned or elect to take. Any possible change will be considered only after teacher, principal, and parent contacts have occurred.

STUDENT ID'S

Student ID's are issued free to each student at the start of each school year. **Student ID's must be worn at all times.** Failure to do so will result in progressive disciplinary measures. Students must show school ID to participate in any and all after school/extra curricula activities.

TRANSFERS

In the event that a student is transferring, the parent must call or write to secure a withdraw form. This must be done at least two days in advance before changing schools. All books and equipment are to be returned and all fees paid. Each teacher will initial and enter the up-to-date grade. Students must then secure final signature from the treasurer.

NON-ACADEMIC

ALCOHOL AND DRUG TESTING POLICY

Reasonable Suspicion (Gr.5-12)

Philosophy

Merrillville Community School Corporation has a strong commitment to the health,

safety, and welfare of its students. Results of studies throughout the United States indicate that education alone, as a preventative measure, is not effective in combating substance abuse. Our commitment to maintaining the Merrillville Community School Corporation as a safe and secure educational environment requires a clear policy and supportive programs relating to detection, treatment, and prevention of substance abuse by students.

Definitions

As used in this policy:

Reasonable suspicion: means a belief based upon circumstances which, when taken together in the context of the school building or activity in which they occur, would lead a reasonable person to believe a student has violated a state law, federal law, or student rule. Information provided by other persons may be considered by an administrator as part of the administrator's reasonable suspicion where the administrator has reason to believe the person offering the information is credible.

Scope of Policy

The provisions of this policy apply in all situations in which a student is subject to school disciplinary rules pursuant to Indiana Code 20-8.1-5.1-8(b), including:

1. on school grounds immediately before or during school hours, or immediately after school hours, or at any other time when the school is being used by a school group;
2. off school grounds at a school activity, function, or event; or
3. traveling to or from school or a school activity, function, or event.

Reasonable Suspicion Testing

When a trained administrator, counselor, or school nurse has reasonable suspicion to believe that a student is under the influence of alcohol or drugs, the administrator may require the student to submit to an alcohol or drug test. The physical characteristics that may be grounds for reasonable suspicion that a student is under the influence of alcohol or drugs include but are not limited to the following:

1. odor of alcohol or marijuana on breath or clothing - bruises, cuts or needle marks;
2. excessive drowsiness - accelerated heart rate - dilated pupils - bloodshot, watering and or dull looking eyes- decreased heart rate
3. unsteady gait or loss of balance when walking - rapid, slowed or slurred speech - extreme hyperactivity;
4. manic or hyper behavior - irresponsible, disrespectful or argumentative behavior - fighting or aggressive behavior - emotional instability, especially overreactions to minor provocation - anxiety or depression - euphoria - dysphoria - hallucinations - delusions - tremors - drowsiness or lethargy - confusion - seizures

Procedures

A testing laboratory that is certified pursuant to the regulations of the United States Department of Transportation will provide training and direction to those who supervise the alcohol and drug testing of students. The test sample shall be collected by a person designated by the Superintendent and trained to collect specimen for analysis. The integrity of the test sample shall be carefully preserved at all times through a strict chain of custody maintained with the supervision of the testing laboratory. The sample shall be tested at a certified testing laboratory. Test results shall be reported to the school corporation's Medical Review Officer.

Consequences of Positive Test

Students who test positive for being under the influence of alcohol or drugs will be subject to the provisions of the school corporation's student discipline policy.

A refusal to submit to an alcohol or drug test will be treated as a positive test result.

Financial Responsibility

The Merrillville Community School Corporation will be responsible for the costs of all initial alcohol and drug tests based on reasonable suspicion.

A request for a confirmation test, following a positive test result, will be the financial responsibility of the student or his/her parent or guardian.

Confidentiality

If the test is positive, the principal or administrative designee will meet with the student and the student's parent or guardian. The student and the student's parent or guardian will be given the names of counseling and assistance agencies that the family may want to contact for help.

Other than when necessary to administer this policy, any employee of the Merrillville Community School Corporation who has knowledge of the test result of an alcohol or drug test shall not divulge to anyone, other than the student or the student's parent or guardian, the results of the alcohol or drug test. Exceptions to this rule may be made in the case of a valid court order.

UNPAID TEXTBOOK RENTAL AND FEES

The following is the procedure in determining the book fine:

1. The full price of a new book will be charged to the student.

2. If a book has been improperly handled or used and rebinding is necessary, the fine will be the cost of the rebinding.
3. If a book has been improperly handled or misused and is not in usable condition, the full price of a new book will be charged to the student.
4. If the book will not be used again the following year and is lost, stolen, or needs rebinding, a charge equivalent to the cost of rebinding will be made.
5. Original cost of books will be available in the office. All fines are to be paid by the last day of school. **UNPAID TEXTBOOK RENTAL AND FEES WILL BE TURNED OVER FOR COLLECTION.**

BOOK RENTAL AND FEES

Students are supplied all necessary books for a rental charge. They are responsible for all books issued to them and will be subject to a fine should any book be lost or damaged; they should NOT loan books to other students. Charges are also made for workbooks, consumable items, and some course projects. These fees will vary from course to course.

BOYS AND GIRLS CLUB

Boys and Girls Club is currently housed in Merrillville Intermediate School. The organization establishes its own enrollment process and calendar or services and activities, which should prove very beneficial to MIS students (and their parents, as well). Parents are urged to stay informed of variations (from the school calendar) in the Boys and Girls Club calendar to make alternate custodial and transportation arrangements for their students when Boys and Girls club is not in operation. Questions and concerns regarding the program are to be directed to the Club's supervisors/personnel whenever possible.

Boys and Girls Club operates in partnership with Merrillville Intermediate School, and - as such – All rules contained in the MIS Student Handbook apply to, and are enforced by the Boys and Girls club as well.

BUSES

Merrillville Community School Corporation provides transportation for its students. All students who avail themselves of this service must remember riding the bus is a privilege that should not be abused. All students must ride their assigned bus to and from school. If an emergency arises whereby a student must ride another bus, the parent of that student must call a the MCSC Director of Transportation. Common sense will dictate the conduct necessary for the safety and welfare for all. Failure to comply with

bus regulations will result in disciplinary action being taken.

IC 20-33-8-14

- (1) Student misconduct.
- (2) Substantial disobedience.

(b) The grounds for suspension or expulsion listed in subsection (a) apply when a student is:

- (1) on school grounds immediately before or during school hours, or immediately after school hours, or at any other time when the school is being used by a school group;
- (2) off school grounds at a school activity, function, or event; or

After school is dismissed, students will wait for their bus in a properly designated area.

There is to be no pushing, hitting, kicking, cutting lines, or running to the bus stop nor running at the side of a moving bus. Once on the bus, students must remain in their seat. Students should obey the bus drivers. They are responsible for student's safety.

While on the bus, students are to remain seated, use an appropriate voice level, and keep hands, feet and other objects inside the bus and to self. Failure to adhere to the bus rules may result in disciplinary action which may result in bus suspension and/or suspension from school.

UNDER NO CIRCUMSTANCE WILL STUDENTS WHO RIDE BUSES LEAVE SCHOOL GROUNDS BEFORE THEIR BUS ARRIVES. Failure to comply with this rule will result in the student being considered truant.

CAFETERIA RULES

Using the facilities of the cafeteria is a privilege given to those students who wish to follow a few simple rules. All students are expected to use their restaurant manners and follow the Pirate Code. All students whether purchasing or bringing their own lunches, are required to eat in the cafeteria. If a student purchases a lunch, he/she will be required to line up as instructed. Any student not wearing their school ID will be served last. Upon finishing lunch, students should return the tray to the tray rack or window. A STUDENT SHOULD CLEAN UP HIS/HER OWN AREA AND DISPOSE OF HIS/HER SACK IN THE TRASH CONTAINERS. Students who willfully create messy conditions in the cafeteria will be assigned kitchen/maintenance duties or placed in lunch detention. *****As a courtesy an email will be sent on Fridays reminding parents/guardians of low balances of lunch accounts. The student change limit is \$6.30. Visitors and students cannot bring in restaurant food to school. NO sharing of food and NO large bags of chips.***

CHANGE OF CONTACT INFORMATION

Parents should inform the office immediately of any change in telephone number(s) or other emergency contact information. They should also provide proof of residency when reporting any change in address.

CLASSROOM OBSERVATIONS & PARENT CONFERENCES

We encourage all parents to visit school and observe the school in action. Should any parent wish a conference, it may be arranged by calling the school office. Conferences are scheduled before or after school, or at any time during the day the teacher is not scheduled to be with students.

The following procedures should be followed before making a classroom observation:

1. Arrange classroom observations with a minimum 24 hour advanced notice by calling the main office: (219) 650-5306.
2. All visitors must register through Entrance A in the front office to obtain a Visitor's Pass.
3. Visits shall be limited to adults to minimize classroom disruption.
4. Classroom observations should not exceed one hour a day per teacher per visit unless the teacher feels a longer visit is warranted.
5. Visitors should arrive between classes when possible so their entry will be as unobtrusive as possible.

6. It is inappropriate for visitors to speak out, make statements or ask questions of the students or teacher during the visit unless asked to participate.
7. If a visitor wishes to discuss his/her observation or any issue with the teacher, he/she should make an appointment to meet during non-class time.
8. The use of tape recorder, videotape machines or other recording equipment to record meetings at which a teacher is present or to record a teacher during the discharge of his/her duties is prohibited without the prior written consent of each teacher who will be included in the recording.

Visitation Policy:

The Merrillville Community School Corporation welcomes visits to school by parents/guardians, other adult residents of the community and interested educators. To protect the safety and welfare of students and school personnel, as well as to minimize classroom disruptions, procedures for visitors shall include the following:

1. School visits should make allowance for 24 hours' notice and should be arranged through main office personnel: (219) 650-5306.
2. Every visitor to MIS must register through Entrance A in the front office to obtain a Visitor's Pass.
3. Sign-in lists showing name purpose of visit, arrival time, and departure time shall be maintained by the school office.
4. The office will hold the license/ID of any visitor until they depart from the building.
5. Any person who does not register with school office is on school property illegally and should be asked to identify him/herself properly, get visitor's pass, or leave the school's grounds.
6. No student guests are allowed in the building during the school day.
7. Parents having lunch with their child will sit in an assigned area.
8. We ask that parents have their cellphones put away while visiting their child.

CLOSED CAMPUS

(Sign-in Sign-out)

Students who come to school late or must leave during the day must sign in or out in the school's main office. Those who must leave during the school day should have a note from their parents stating the reason why and then secure permission from the office personnel or the school nurse. The individual picking the student up must come in and notify the office personnel. If a student comes to school late he/she should have a note from his/ her parents.

DRESS CODE

We believe in providing a learning environment that focuses on the education of each student. In order to prevent distractions that may prevent an optimal setting for learning, we have implemented the following dress code:

Clothes must be worn of a length and size that is safe for movement in all settings. Shoelaces must be tied. Pants that drag on the floor may not be worn. Skirts and shorts must end at the mid-thigh. Skirts and shorts may not have slits that extend beyond fingertip length.

Clothes may not be worn that are sheer, see-through, expose the midriff, have holes/slits or expose underwear/undergarments.

Tutus may not be worn.

No pajamas or slippers/house shoes may be worn, unless it's a designated Pajama Day for the school, in which case, all dress code rules must still be followed and pajamas must be appropriate.

Students may not wear sleeveless shirts of any kind. T-shirts must be worn under jerseys.

Shirts and tops must be long enough to be tucked in, but are not required to be tucked in. Shirts that expose the midriff are not allowed.

No head gear (i.e. hats, bandanas, wave caps, hair wraps, excessively large headbands, etc.) may be worn, unless approved by staff. **All students are to remove hats and other head covering upon entering the building during the day.**

No jewelry or hair accessories with spike/sharp points may be worn. (Rat-tail combs, picks with metal teeth, etc.)

No shades/dark lens glasses or non-prescription glass worn in school unless under medical directive.

Pant “sagging” is not acceptable! Pants must fit at the waist and/or a belt must be worn to prevent the “dropped” pant look. A student's underwear, gym shorts, any other garment worn under his/her pants or shorts, or skin should not be exposed due to the sagging of pants or shorts.

Pants may not be tied or bound at any part of the leg.

No flip-flops or slides may be worn.

Coats, gloves, mittens, and scarves worn for outdoor use may not be worn to class unless approved by staff.

Backpacks, purses, tote bags and fanny packs, etc. are to be kept in lockers and not carried to class. Book bags on wheels are not allowed.

Form fitting clothing, leggings, tight athletic pants...

Any clothing/jewelry with words, symbols, or pictures that promote violence, alcohol, drugs, sex, tobacco or vulgarities is forbidden.

Additionally any attire may be considered inappropriate at an administrator's discretion.

Violations of the dress code will result in being required to change clothing. The office may provide a suitable garment if a student cannot reach anyone to bring a change of clothes. Repeated violations of the dress code may result in a parent conference, detention or suspension.

EMERGENCY PROCEDURES

FIRE DRILLS

A fire evacuation plan has been given to each teacher and has been posted in each room. Students should study the plan and become familiar with it. When the fire alarm sounds, students will immediately stand and form lines as they leave the room. Running is not permitted. The first students to reach the outside doors are to hold them open until all have left the building. Students are not permitted to talk during a fire drill and are to remain at least 50 feet away from the building until the signal to return is given by the principal or his/her authorized representative.

POWER FAILURE

In the event there is a power failure, all movement throughout the building will be made in a quiet, orderly manner and the following instructions will be followed:

1. Teachers will remain with their students.
2. Electrical or gas equipment that is being used when the blackout occurs will be shut off immediately.
3. Students will remain in classrooms.
4. In case of complete darkness in an interior room (failure of emergency lighting to work or an absence of emergency lighting), teachers will take the students to exterior classrooms.
5. If a room is vacated, the door to that room will be closed.
6. If the emergency occurs during a class break, teachers will go to assigned room. Students will go quietly and orderly to nearest classroom (an outside classroom or one with emergency lighting functioning) or to the gym.
7. An injury or unusual happening will be reported to the office immediately.

TORNADO DRILLS

1. A tornado evacuation plan will be given to each teacher and posted in each room. Students should study the plan and become familiar with it.
2. All persons in the room will proceed to the nearest solid wall in the hall when the signal is given over the public address system. They will remain standing until they receive further instructions or the 'All Clear' signal is given.
3. Everyone is to remain absolutely quiet.
4. All instructions are to be obeyed promptly.
5. Avoid areas where there is any object that could do personal damage i.e., glass laboratory equipment, glass bookcases, etc.
6. Avoid window areas and have your back to such areas.
7. In case of a real tornado alert, students will be asked to get down on their knees and cover their heads with their hands to protect themselves from flying debris.
8. It is important that everyone be absolutely quiet so that instructions that are given can be heard by everyone. Also, when there is an excessive amount of commotion and noise, people tend to become very nervous and panic. The most important thing is to remain calm and follow all instructions.

ELECTRONIC DEVICES

Electronic devices such as cell phones, pagers, CD players, handheld games, etc. are prohibited on school property, which includes school buses and bus stops. If a student is found to be in possession of such a device, the item will be confiscated and will only be released directly to a properly identified parent/guardian who comes to school wishing to reclaim it.

Cell phone use or having a cell phone visible in the school building is strictly prohibited and will result in a Friday School. The staff member will take the cell phone and give it to the appropriate assistant principal for pick up. Refusal will result in suspensions.

Sending, sharing, viewing, or possessing pictures, text messages, emails, or other material of sexual nature in electronic or any other form, including the contents of a cell phone or other electronic device is strictly prohibited and possessing such items will be grounds for expulsion.

Important Notice to Students and Parents Regarding Cell Phone Content and Display

- The Child abuse/Neglect Law requires school personnel to report to law enforcement or child protective services whenever there is reason to believe that any person/student is involved with "child exploitation" or "child pornography" as defined by

Indiana Criminal Statutes.

- It is “child exploitation,” a Class C felony under I.C. 35-42-4-4(b), for any person/student (1) to exhibit, photograph or create a digitalized image of any incident that includes “sexual conduct” by a child under the age of 18; or (2) to disseminate, exhibit to another person, or offer to so disseminate or exhibit, matter that depicts or describes “sexual conduct” by a child under the age of 18.
- It is “child pornography,” a Class D felony under I.C. 35-42-4-4(c), for any person/student to possess a photograph, motion picture, digitalized image, or any pictorial representation that depicts or describes “sexual conduct” by a child who the person knows is less than 16 years of age or who appears less than age 16.
- “Sexual conduct” is defined by I.C. 35-42-4-4(a) to include sexual intercourse, exhibition of the uncovered genitals intended to satisfy or arouse the sexual desires of any person, or fondling or touching of a child by another person or of another person by a child intended to arouse or satisfy the sexual desires of the child or other person.
- The Indiana Sex Offender Registration Statute at I.C. 11-8-8-7 and the Sex Offender Registry Offense Statute at I.C. 35-42-4-11, as of May 2009, require persons convicted of or adjudicated as a juvenile delinquent for violating the Child Exploitation Statute at I.C. 35-42-4-4(b) to register as a sex offender.

Because student cell phones have been found in a number of Indiana school districts to have contained evidence of “sexual conduct” as defined above, it is important for parents and students to be aware of the legal consequences should this occur in our school system.

EXTRA-CURRICULAR ACTIVITIES

Extra-curricular activities in the intermediate school are encouraged. Academic Teams, Student Council, PEARLS, STAND, STEM Club and ART Club, etc., comprise some of the types of activities for student involvement. Any student under the age of 18 caught in possession of a tobacco product on school grounds will be subject to already existing school disciplinary procedures as well as being subject to being reported to the police as being in violation of the State Tobacco Laws. The police will issue that student a ticket, which will require an ap-

Note: A student found to be in possession of a lighter or matches will be assigned a minimum of two Friday School Detentions.

TRESPASS AND VANDALISM

In addition, it is a misdemeanor for any person who enters or returns to school property to cause a disturbance or to interfere with school purposes. Law enforcement officials may remove a person who refuses to leave school property upon order of the principal, assistant principal, or teacher. Digital Citizenship

Students and Staff in the Merrillville Community School Corporation are exposed to technology at all levels. With this exposure to technology, we want everyone to learn to become good Digital Citizens. Much like we have rules for the way we behave in society, we have rules for how we should behave in our digital society. Expectations while using technology are in place to help create the best technology environment possible. Students will learn about internet safety, cyberbullying, digital footprint and

other important aspects of digital citizenship in their classes while staff will receive information via email tips and also through information found on the website.

Social Media

While social media has its place in society, it needs to be used with respect and the understanding that everything posted is there forever. With that in mind, these guidelines suggest proper ways to use social media and how to avoid pitfalls as well.

1. Use proper discretion when posting to any social media platform. Posts are forever. Do not post anything you wouldn't want your parents, friends, teachers, future college boards or future employers to see.
2. Never give out personal information about yourself or anyone else when posting.
3. Make sure not to violate any copyright laws by posting pictures, videos, etc. that are the intellectual property of someone else.
4. Represent yourself with respect when posting: Remember that others will be able to read these.
5. If you see anything you feel is inappropriate and may harm others, report it to your school principals. There is no safety in silence.
6. Never pretend to be someone else or misrepresent yourself when posting to social media networks.
