Dear Parents/Guardians,

Please be advised that all P-EBT benefits for the 2020-2021 were issued as follows:

- Summer PEBT benefits were issued on June 15, 2021.
- Benefits for the months of April, May and June were issued July 12th for virtual students only.

The Merrillville Community School Corporation does not qualify for Pandemic Electronic Benefits Transfer (P-EBT) at this time for the 2021-22 school year. If we do qualify at some point as a school corporation, students would also have to meet the following criteria to receive these benefits:

- Current student of Merrillville Schools
- Current and approved free/reduced lunch application on file
- Current and correct address listed in skyward

We encourage everyone to fill out an application. An approved application will be the only way to receive P-EBT benefits in the event that our district becomes eligible in the future. If you have received benefits in the past, do not throw away your card. Benefits in the future may be added to existing cards.

Regards,

Angelica Claiborne
